### Tower Duplicators

Fast • Reliable • Standalone • Multi-function

Industry leading high performance disc to disc duplication makes evocept the number one choice in duplication towers in Australia and New Zealand.

New CopyBlastUltimate Duplication Towers add more features than ever seen before in a Tower Duplicator. Our 7th generation controller technology offers four copy functions in one unit. Copy USB to Disc, Disc to Disc, Disc to USB and USB to USB. Append smaller USB based files into one or more discs or a larger USB storage device, even bulk read discs onto a USB storage device - up to 1000 CDs on a 1TB Hard Drive!
